

## Spellbook

### CANTRIPS

#### DANCING LIGHTS

*level 0 - evocation*

**Casting Time:** 1 action

**Range:** 120 feet

**Components:** V, S, M (a bit of phosphorus or wychwood, or a glowworm)

**Duration:** Concentration, up to 1 minute

You create up to four torch-sized lights within range, making them appear as torches, lanterns, or glowing orbs that hover in the air for the duration. You can also combine the four lights into one glowing vaguely humanoid form of Medium size. Whichever form you choose, each light sheds dim light in a 10-foot radius.

As a bonus action on your turn, you can move the lights up to 60 feet to a new spot within range. A light must be within 20 feet of another light created by this spell, and a light winks out if it exceeds the spell's range.

#### FIRE BOLT

*level 0 - evocation*

**Casting Time:** 1 action

**Range:** 120 feet

**Components:** V, S

**Duration:** Instantaneous

You hurl a mote of fire at a creature or object within range. Make a ranged spell attack against the target. On a hit, the target takes 1d10 fire damage. A flammable object hit by this spell ignites if it isn't being worn or carried.

This spell's damage increases by 1d10 when you reach 5th level (2d10), 11th level (3d10), and 17th level (4d10).

#### LIGHT

*level 0 - evocation*

**Casting Time:** 1 action

**Range:** Touch

**Components:** V, M (a firefly or phosphorescent moss)

**Duration:** 1 hour

You touch one object that is no larger than 10 feet in any dimension. Until the spell ends, the object sheds bright light in a 20-foot radius and dim light for an additional 20 feet. The light can be colored as you like. Completely covering the object with something opaque blocks the light. The spell ends if you cast it again or dismiss it as an action.

If you target an object held or worn by a hostile creature, that creature must succeed on a Dexterity saving throw to avoid the spell.

#### MINOR ILLUSION

*level 0 - illusion*

**Casting Time:** 1 action

**Range:** 30 feet

**Components:** S, M (a bit of fleece)

**Duration:** 1 minute

You create a sound or an image of an object within range that lasts for the duration. The illusion also ends if you dismiss it as an action or cast this spell again.

If you create a sound, its volume can range from a whisper to a scream. It can be your voice, someone else's voice, a lion's roar, a beating of drums, or any other sound you choose. The sound continues unabated throughout the duration, or you can make discrete sounds at different times before the spell ends.

If you create an image of an object—such as a chair, muddy footprints, or a small chest—it must be no larger than a 5-foot cube. The image can't create sound, light, smell, or any other sensory effect. Physical interaction with the image reveals it to be an illusion, because things can pass through it.

If a creature uses its action to examine the sound or image, the creature can determine that it is an illusion with a successful Intelligence (Investigation) check against your spell save DC. If a creature discerns the illusion for what it is, the illusion becomes faint to the creature.

### LEVEL 1

#### BURNING HANDS

*level 1 - evocation*

**Casting Time:** 1 action

**Range:** Self (15-foot cone)

**Components:** V, S

**Duration:** Instantaneous

As you hold your hands with thumbs touching and fingers spread, a thin sheet of flames shoots forth from your outstretched fingertips. Each creature in a 15-foot cone must make a Dexterity saving throw. A creature takes 3d6 fire damage on a failed save, or half as much damage on a successful one.

The fire ignites any flammable objects in the area that aren't being worn or carried.

**At Higher Levels.** When you cast this spell using a spell slot of 2nd level or higher, the damage increases by 1d6 for each slot level above 1st.

#### CHROMATIC ORB

*level 1 - evocation*

**Casting Time:** 1 action

**Range:** 90 feet

**Components:** V, S, M (a diamond worth at least 50 gp)

**Duration:** Instantaneous

You hurl a 4-inch-diameter sphere of energy at a creature that you can see within range. You choose acid, cold, fire, lightning, poison, or thunder for the type of orb you create, and then make a ranged spell attack against the target. If the attack hits, the creature takes 3d8 damage of the type you chose.

**At Higher Levels.** When you cast this spell using a spell slot of 2nd level or higher, the damage increases by 1d8 for each slot level above 1st.

#### COLOR SPRAY

*level 1 - illusion*

**Casting Time:** 1 action

**Range:** Self (15-foot cone)

**Components:** V, S, M (a pinch of powder or sand that is colored red, yellow, and blue)

**Duration:** 1 round

A dazzling array of flashing, colored light springs from your hand. Roll 6d10; the total is how many hit points of creatures this spell can affect. Creatures in a 15-foot cone originating from you are affected in ascending order of their current hit points (ignoring unconscious creatures and creatures that can't see).

Starting with the creature that has the lowest current hit points, each creature affected by this spell is blinded until the end of your next turn. Subtract each creature's hit points from the total before moving on to the creature with the next lowest hit points. A creature's hit points must be equal to or less than the remaining total for that creature to be affected.

**At Higher Levels.** When you cast this spell using a spell slot of 2nd level or higher, roll an additional 2d10 for each slot level above 1st.

#### COMPREHEND LANGUAGES

*level 1 - divination (ritual)*

**Casting Time:** 1 action

**Range:** Self

**Components:** V, S, M (a pinch of soot and salt)

**Duration:** 1 hour

For the duration, you understand the literal meaning of any spoken language that you hear. You also understand any written language that you see, but you must be touching the surface on which the words are written. It takes about 1 minute to read one page of text.

This spell doesn't decode secret messages in a text or a glyph, such as an arcane sigil, that isn't part of a written language.

## DETECT MAGIC

*level 1 - divination (ritual)*

**Casting Time:** 1 action

**Range:** Self

**Components:** V, S

**Duration:** Concentration, up to 10 minutes

For the duration, you sense the presence of magic within 30 feet of you. If you sense magic in this way, you can use your action to see a faint aura around any visible creature or object in the area that bears magic, and you learn its school of magic, if any.

The spell can penetrate most barriers, but it is blocked by 1 foot of stone, 1 inch of common metal, a thin sheet of lead, or 3 feet of wood or dirt.

## SILENT IMAGE

*level 1 - illusion*

**Casting Time:** 1 action

**Range:** 60 feet

**Components:** V, S, M (a bit of fleece)

**Duration:** Concentration, up to 10 minutes

You create the image of an object, a creature, or some other visible phenomenon that is no larger than a 15-foot cube. The image appears at a spot within range and lasts for the duration. The image is purely visual; it isn't accompanied by sound, smell, or other sensory effects.

You can use your action to cause the image to move to any spot within range. As the image changes location, you can alter its appearance so that its movements appear natural for the image. For example, if you create an image of a creature and move it, you can alter the image so that it appears to be walking.

Physical interaction with the image reveals it to be an illusion, because things can pass through it. A creature that uses its action to examine the image can determine that it is an illusion with a successful Intelligence (Investigation) check against your spell save DC. If a creature discerns the illusion for what it is, the creature can see through the image.
