EQUIPMENT

33 lb. WEIGHT

None

HAIR

Rashik Firepalm

CHARACTER NAME

CHARACTER NAME

The head is the blue gem of the Immaculate Lady, so a face ringed by fire. The body is Rashik Firepalm's from before he died, with a small gem visible on the left hand (with a tiny, almost imperceptible glow) and an ornate, impressive looking spellbook in it's right hand. It's wearing a cloak that always seems to move in the wind, even if there is no wind
