

MIKHAÏL ORLYK

You come from a long line of vampire hunters originating from a village at the foot of the Carpathian Mountains. When you were twelve years old, your family was attacked by a vampire and you were the sole survivor. You swore a blood oath to avenge them. Since then you have hunted vampires and other undead across much of Europe. Five years ago, you joined the Pravda Society in Prague (the Carpathian branch of the Society), and you recently arrived in Stockholm. You are now on your way to the National Archives to conduct research and learn more about Nordic vaesen.

ON THE HUNT

Heal one Condition when you learn where a vaesen can be found.
